General Permit Information

- Zoning Permits are required for all projects. If uncertain, call City Hall.
- The area of Construction must include eaves and or roof overhang
- Setback Requirements:

	<u>R-1</u>	<u>R-2</u>
Front Yard	25 ft (from curb line)	25 ft (from curb line)
Side Yard	6 ft (from property line)	6 ft (from property line)
Rear Yard	25 ft	30 ft
Corner Lots	30-30 ft	25-25 ft

- Attach a drawing of the proposed construction where it will be located on the property. Any easements for utilities or water drainage must be identified along with all utility lines entering the property. All dimensions of the property lines must be included. **REMINDER, the distance from the property line to the edge of the overhang of the roof is the measurement to use, not the distance from the property line to the wall of the proposed construction**
- WHEN COMPLETED, the application is to be filed with the City Clerk's Office. The Zoning Administrator will review the application to determine that the proposed construction meets current zoning. Final approval is given by the city council monthly at their meetings.
- If work begins before a zoning permit is approved, the property owner may receive a fine.
