

POVERTY SIMULATION

What would you do if you had to choose between rent or medicine, utilities or food, gas in your car or childcare?

Join us for an innovative, first-hand experience of what it's like to live in poverty

1 in 10

Minnesotans live below the poverty line, struggling to afford basic necessities like food, housing, and healthcare.

Rural Minnesotans

Face higher poverty rates, with limited access to jobs, healthcare, and essential services compared to urban areas.

Over 150,000 children

in Minnesota experience poverty, impacting their education, health, and future opportunities.

WHO

Policy makers, local community leaders, students, organizations and anyone who wants to be an advocate for those in poverty

WHAT

A live-action simulation to role-play lives of low income families.

WHY

Understand poverty through an experiential setting, empower low-income volunteers to interact with leaders from their community, view poverty as a reality
